**ON YOUR COLLEGE ADMISSIONS DASHBOARD...**

**Your GPA is the most important numerical indicator.**

**And the further you go in high school, the harder it gets to improve it.** That's why during our **#49DaysOfGPAs** event, we want to give you the tools to know what GPA you should strive for to meet your college admissions and scholarship goals—and what grades it'll take to achieve your GPA target.

**DOWNLOAD YOUR TOOLS TO GET **#GPAAware** AND ENTER TO WIN FREE TUTORING.**

**1 SEE WHAT'S EXPECTED**

Download **The Frontier 49** College Admissions Factbook, which includes average high school GPAs of admitted freshmen—plus average SAT/ACT scores and admit rates—for the 49 most popular nationwide colleges among Alaska applicants. We'll also post the target GPA for one college each day during the #49DaysOfGPAs event on Facebook.

**2 SET YOUR GOAL**

Download our **GPA Scenario Calculator**. This tool is like GPS for your GPA: Use it to determine what grades you need to earn each semester in order to meet your GPA goals. It's built specifically for Anchorage School District students and takes into account AP/IB weighting.

**3 START YOUR JOURNEY**

Consistently practice productive study habits that work for you, and get help if you need it with our expert Tutoring Specialists. During our #49DaysOfGPAs event, **every week, a lucky winner will receive 5 free hours of one-on-one tutoring (a \$375 value).**
