Background & Selected Experience

Kimberly Hewitt is a Senior Tutoring Specialist at Frontier Tutoring. Originally from Seward, Kimberly was one of the first Frontier Tutoring employees when she joined the company as a UAA undergraduate in 2008. In addition to her tutoring role, Kimberly managed a number of key administrative functions that fueled the company's early stage growth, for which she earned a Frontier Tutoring Pioneer Award.

Kimberly graduated summa cum laude and as a Forty Ninth State Fellow from UAA in May 2012 with a BA in English Literature and a minor in Political Science. She spent the winter after her graduation traveling in South America, where she had the opportunity to visit family from her mother's side, practice her Spanish, and enjoy the equatorial weather while experiencing another culture.

Kimberly rejoined Frontier Tutoring in October 2013 and is excited to continue working for student success. In her free time, Kimberly enjoys reading and films, as well as hiking and spending time in the Alaskan outdoors. Although she is presently enjoying a break from school, Kimberly intends to continue her education with a master's degree in English literature.
